

MICHIGAN ORGANIZATION MILESTONE PLAQUE

You can honor the heritage and special status of your church, library, school, municipality, lodge, cemetery, or other organization with an official Michigan Milestone Organization Plaque. This distinguished plaque, authorized by the Historical Society of Michigan, will remind both new and long time members of your organization's rich heritage and help celebrate the many contributions it has made to the vitality of the community and to the state of Michigan.

Your plaque will be custom-made with your organization's name and founding date. It is of a sturdy cast aluminum finished in a deep blue finish and measures 15x20. The plaque costs \$495 (non-profit) or \$595 (for profit) and can be mounted either inside or outdoors.

To order, please complete the application and order form. Be sure to include your organization name and founding date as you would like them to appear on the plaque. Mail this, along with your payment, to the Historical Society of Michigan.

Celebrate the 50th, 100th, or 150th anniversary of your church, library, school, municipality, lodge, cemetery, or other organization with a Michigan Milestone Award Plaque. At your request, the Historical Society of Michigan has expanded its recognition of Centennial institutions to honor organizations at their Half Century and Sesquicentennial milestones as well.

Let the Historical Society of Michigan, which has been promoting Michigan history since 1828, help you commemorate your Half Century, Centennial, or Sesquicentennial milestone with a Michigan Organization Milestone Plaque. Join over 600 businesses and organizations already honored since the Historical Society began celebrating the history of Michigan institutions in 1976.
