December 2009

Dear Exhibitor:

We invite you to join us for the winter 2010 *Mulling Over Michigan* Educators Conference on Tuesday, February 23, 2010 at Bay County Historical Society.

Mulling Over Michigan is a statewide Michigan studies conference aimed at educators who teach Michigan History in the classroom. The conference content helps attendees increase the quality and quantity of their state and local history teaching and promote its incorporation into the social studies curricula.

We are continuing a new schedule of presenting the *Mulling Over Michigan* event two times a year in different parts of the state. The fall 2009 conference was held in Allendale at Grand Valley State University. We hope to draw a large crowd of educators to Bay City in February and hope you can join us as an exhibitor.

The conference will open at 3:30pm with registration, refreshments and exhibitor time. Attendees have the opportunity to choose from a dozen sessions. A second exhibitor break will be held after the first session.

An exhibitor application and schedule is included. You can also contact us with any questions you have about the conference at hsm@hsmichigan.org or call (517) 324-1828.

We look forward to seeing you at *Mulling Over Michigan* this February.

Sincerely,

Shannon White
Assistant Director
