

A Free Book From the Historical Society of Michigan

For those who donate at the Bronze level (\$50) or above, the Historical Society of Michigan will send you your choice* of one of the books listed below as a token of our appreciation!

Even in the midst of the Civil War, life went on—and American families needed to put food on the table. *Food in the Civil War Era: The North* blends recipes and history into a hardcover book and offers readers a glimpse of domestic life in the North during the war.

Insider Histories of the Vietnam Era Underground Press, Part 1 provides an illuminating look at underground newspapers, which spread through the world during the counterculture era of the 1960s and 1970s. Featuring stories that cover social, cultural, political, and military subjects, this paperback is a telling representation of that dramatic period.

From the tulip fields and windmills in Holland to the fountains and wildflowers at Grand Hotel on Mackinac Island, there is outdoor beauty everywhere. Learn about the heritage of our state's landscaping in *Public Gardens of Michigan*, a hardcover book that would be a welcome addition to your coffee table.

The Search for a Socialist El Dorado tells the story of when thousands of Finnish Americans immigrated to the Soviet Union to build a socialist society there during the 1930s. This paperback book explores their efforts to create that utopia in the geographically vast, seasonally harsh, and politically unpredictable Soviet Union.

Beyond Pontiac's Shadow glimpses into early Anglo-American, French-Canadian, and Native-American communities along the Straits of Mackinac. This hardcover book details a momentous event in Michigan's past—the Ojibwe capture of Fort Michilimackinac in 1763, which halted the fur trade in the Great Lakes region and impacted its economy for years.

A photo-essay-style compilation of portraits and interviews, *Detroit Resurgent* showcases people from all walks of life in the Detroit area. This hardcover book highlights those who have influenced the city's rebirth and discusses how they view the city today and what their visions are for its future.

The Daring Trader is a paperback book that recognizes Michigan Territory fur trader Jacob Smith for his noteworthy accomplishments in the 1800s. Smith helped Native tribes acquire a significant amount of land by serving as an advisor. He also played a vital role in the War of 1812, among many other achievements.
